General Instructions

The Governor's Family Violence Council (FVC) Abuse Intervention Program (AIP) Certification Process is intended to certify AIP's for inclusion in the Administrative Office of the Courts Bench Book for Maryland Judges. This manual is used by judges to refer abusers to appropriate intervention programs. Whether or not a program is certified has no bearing on whether they are able to operate in the State of Maryland. Programs that do not meet the qualifications for certification may still operate in the same capacity they were operating in prior to applying for certification; however, programs that do not meet the qualifications will not be eligible for placement in the Bench Book for Maryland Judges and receive referrals from the Department of Parole and Probation.

The following application outlines the requirements for AIP certification, as described in the [Governor's Family Violence Council's Operational Guidelines for Abuse Intervention Programs in Maryland](#). Programs that certify compliance with state guidelines for abuse intervention programs and meet the requirements of this application will be included in the Governor's Family Violence Council's list of certified abuse intervention programs. Applications and supporting documents ***must be submitted electronically*** to Rebecca Allyn, Victim Services Program Manager, Governor's Office of Crime Prevention, Youth, and Victim Services, at Rebecca.allyn@maryland.gov **NO LATER THAN 3:00 P.M. ON FRIDAY, APRIL 1, 2022.**

Please do not mail applications.

Certification Timeline

Applications are due to the Governor's Office of Crime Prevention, Youth, and Victim Services by **Friday, April 1, 2022**. Applications will be reviewed for completeness. Applicants will receive a letter of acceptance or denial in May. Certification is valid for three years from the date of certification.

Audit Process

During the three-year period after certification, the FVC may audit a certified program to ensure compliance with the Guidelines. At any time during normal business hours, and as deemed necessary by the certifying body (the FVC), the certified AIP shall make available to the Victim Services Program Manager or any of their authorized representatives, any of the program's records for inspection and audit.

Please be sure to attach all specific documents listed in this application or your application will be considered incomplete.
